HEREFORD EVENT *Sale*

SUNDAY, OCTOBER 20, 2024 • 12:30 PM

At the Ranch • Yukon, Oklahoma

On behalf of the staff and the Bob Funk family, we take this opportunity to invite you to be with us for our 10th Annual Hereford Event Production Sale Sunday, October 20. We take great pride in the Hereford breed and raising quality Hereford genetics.

We believe we have put together a solid set of females with a cross section of donor females, pairs, bred heifers and a stout set of show-heifer prospects. We feel there is something for everyone. Don't forget, the show heifers qualify for our Express Ranches Scholarship Program which has contributed over \$4.8 million to young people throughout the country.

We continue each day to remember our leader and friend, Jarold Callahan. His love for the Hereford breed and the Hereford breeders who became his lifelong friends continues to resonate with us all. His leadership, passion and drive has made us all better cattlemen and people.

If any of the Express team can be of assistance don't hesitate to give us a call.

Sincerely,

Kevin Hafner • Donnie Robertson • Mark Squires

We kick off the 10th Annual Express Ranches Hereford Event Sale with an elite female that stems from the resident immortal donor "4295" and sired by the ever-popular EXR Benchmark 8240 ET. This polled Hereford heifer is stout in her design with a square hip, added bone, hip and body. She possesses all of this while offering a well-balanced look on the profile with an exquisite look through her front one-third. Sound at the ground and flat out good she will be highly competitive in the show ring and will be a phenomenal donor when she enters production. EXR Bailees McKee 4215 is a direct daughter of the immortal C Bailees McKee 4295 a donor for Express Ranches who has amassed \$507,000 in progeny sales to date. She has consistently produced highly sought-after progeny in the Express Ranches Hereford Event Sales each and every year. Lot 1 a maternal sister in last year's sale commanded \$40,000 for one-half interest to Newby Land & Cattle Co.; Lot 2 in last year's sale commanded \$20,000 to Colyer Herefords; and a flush on 4295 in that same sale commanded \$22,000 to Hurricane Land & Cattle LLC.

Excellent phenotype backed by one of the elite donors to ever serve in the Express Ranches Hereford donor lineup. A full sister sells as Lot 2. Maternal sisters sell as Lots 7, 8, 9, 10, 11, 12, 13, 45, 52 and 53.

Unique in her build as she offers a super cool front one-third yet is super powerful in her overall design. Cool marked with a big square hip, added top and bone. It is hard to find females that are stout featured, cool fronted and have as much sweep to their belly as 4232 does. Certainly, one of the unique females in the offering with tremendous upside.

This is the first progeny offered by the ever-popular 3-time National Champion BR GKB Winchester 1314. Her donor dam, 1511, is powerful in her own right and is a feature donor selling in this offering as Lot 69.

Full sister sells as Lot 17.

Loewen Genesis G16 ET :: Sire of Lot 31

Powerful Two-Year-Olds with ...

LOT 32A: EXR Ms Avery 4055 {DBP}, a polled heifer calf born 7/8/2024. Sired by RST Final Print 0016, BW: 51 lbs.

This powerfully constructed Endure 9118 daughter is one of the most phenotypically impressive females in the offering. She is big-ribbed, powerful from behind with added foot and bone, with a deadly front end and a nice udder. She stems from two productive donors in the Curry Herefords program Reba 7016 and her daughter Rainbeau 411. 204 excels at calving-ease with a very balanced numerical profile and a deadly look.

A true sale feature here in this gorgeous Entice daughter that is out of the prolific Atkins and Delaney donor, 19Z, who is a Dam of Distinction that has produced herd bulls and donor females for progressive breeders across the country. She was Express's pick of their heifers that were offered in the 2022 Hereford Night in OKC. She offers excellent growth, carcass, and maternal traits in an eye-catching package. This female is big hiped, well balanced, structurally correct who is elegant through her head and neck and comes equipped with a really nice udder.

EXPRESS RANCHES SCHOLARSHIP PROGRAM

INTRODUCTION

The Express Ranches Progressive Junior Scholarship Program is designed to help America's youth to continue their education by enrolling in undergraduate courses of studies at an accredited two or four year college, university or vocational technical school. It is designed for juniors who want to accumulate scholarships year after year.

ELIGIBILITY

1. The animals must be purchased from Express Ranches at public auction or by private treaty.
2. The animals must be bought and registered by a junior and be in his/her name.
3. The year of purchase and receipt of payment determines which year you will qualify under the graduated program: If you purchased and paid for an animal in calendar year 1995, that is year one. Animals purchased and paid for in subsequent calendar years qualify you for additional years. If any year is missed, the future purchase will be credited to the next year of purchases. (i.e. If you purchased in 2020 and 2022, the 2022 would be the second year of purchases.)

SCHOLARSHIP PROGRAM PAY SCHEDULE

4. The year of purchase (one, two, three, four or five), not the year of the show, will determine which scholarship year will be honored.

5. If the animal wins more than one year in the same show, the scholarship winnings will be honored both years from the year purchase was made.

6. In appreciation for purchasing cattle from Express Ranches in 1994, we will count 1994 as year one for those wonderful buyers. Thank you for your confidence in us.

To qualify for each scholarship, the student is required to submit the proper information of verification on the Express Ranches Verification Form and provide proof of winning. The calculation for the Junior Scholarship will begin in the month the verification papers arrive at Express Ranches.

Each **Express Ranches Progressive Junior Scholarship** will be funded by Express Ranches in the name of recipient in the Express Ranches Scholarship Program Account.

The **Express Ranches Progressive Junior Scholarship will have a 5% to 10% Scholarship Award added annually which is set based on market conditions, and will be reviewed annually by the advisory board**, from the month of beginning until the funds are properly distributed to the accredited two- or four-year college, university or vocational-technical school. The Express Ranch Scholarship Program will process scholarship awards, to the schools, in mid-August and mid-December. Checks will be made payable jointly to the recipient and to the educational institution and must be endorsed by both. Qualified expenses include tuition, books, related fees, and room and board. Qualifiers must complete their education at the accredited college, university or vocational-technical school of their choice on or before their 30th birthday or the remaining portion of their Express Ranches Progressive Junior Scholarship fund will be forfeited. There will be a third party advisory board administering the scholarships. The board will be appointed by Express in staggered terms. The current advisory board is: Kyle Haley, Jack Stuteville, Eddie Sims, Ryan Cotton and Sonny Booth.

This scholarship will be non-transferrable unless approved by the advisory board. Any questions or changes will be decided and or approved by the advisory board. The Express Ranches Scholarship Program will be audited annually.

ELIGIBLE SHOWS

Level I: National Accredited Junior Show

Level II: Cattlemen's Congress, Denver, Louisville, and Kansas City Junior Shows; Oklahoma Youth Expo; Nationally Sanctioned Regional Heifer Shows; and one of the following Texas Junior shows, San Antonio, Fort Worth or Houston.

Level III: State Fair Junior Shows, State Fair shows will be honored for the persons in the state of origin. The state of origin is defined as the state of residence of the owners and or the state of your 4-H or FFA chapter. Only one state of origin showing will be rewarded per calendar year.
