VOL. II

10.16.16

1 P.M. ... YUKON, OKLAHOMA

73 ELITE LOTS SELL... DONORS ... SHOW HEIFERS
SPRING-CALVING PAIRS ... BRED HEIFERS ... FALL OPEN HEIFERS ... BULL ... EMBRYOS

2202 N. 11th Street
Yukon, Oklahoma 73099

We would like to invite you to attend our Hereford Event Volume II Production Sale. We will be offering our best Hereford genetics. We are relatively new to the Hereford breed, but we are strong supporters of the cattle industry and excited to be in the Hereford business. We also look forward to getting better acquainted with our fellow breeders.

We will be offering a cross section of donor females, bred heifers, pairs as well as an exciting group of heifer calves. Our Express Scholarship program on the show heifers is second to none and one of the programs that we are most proud of.

If we or any of the crew can be of any assistance, don't hesitate to call or email. We hope you can join us in Oklahoma for an exciting Hereford weekend. Thanks for your interest.

Sincerely,

Bob Funk & Jarold Callahan

Lots 1 and 2 are January polled flushmate sisters sired by the ever-popular Full Throttle and out of 174X, the S109 donor dam Express Ranches selected out of the Moss Land & Cattle Dispersal. Impressive individuals to analyze as they are built right from the ground up with added rib and dimension all while still being very feminine through their front third. Their dam 174X has tremendous depth of rib and flank and has consistently passed on through her progeny as evident in this pair of flushmate sisters. Two highly competitive individuals that will not only be competitive in the show ring, but will be tremendous breeding pieces when they conclude their show career. Full sister to Lot 2. Flushed 4 times resulting in 78 high-quality embryos. This proven donor at Express Ranches is phenotypically flawless and something to appraise in person. This is without question one of the best Hereford females I've had the opportunity to appraise in sometime. Gorgeous udder, big hip, added bone, well balanced and flat out cool looking!

236 was the pick of the 2-year-olds Express Ranches purchased in the 2014 Mile High Night sale from Walker Polled Hereford Farm in Morrison, Tennessee. The income-generating potential of 236 is endless as Revolution daughters have been some of the most productive females in the Hereford breed over the past 10 years as they consistently produce high-end seed stock. Check out the EPD profile to complement here excellent phenotype! 236 is the complete package! Progeny sell as Lots 4, 5 and 6.

291 was the female Express Ranches selected out of the Rausch Hereford program in Hoven, South Dakota. This is one of biggest-bodied Hereford females you will ever lay your eyes on yet is still very powerful hipped and big boned. This proven donor comes with a big time EPD spread from BW to YW! A beautiful udder when in production this is a can't miss donor! It is hard to find females of this caliber that are young, good numbered and excel in phenotype in volume for sale. Express Ranches has put together one impressive set of individuals for your appraisal Sunday October, 16! Daughter sells as Lot 15.

When you talk about cow families and how important they are in creating highly productive females, 6155 stands out. Her dam is a direct daughter of 89T the \$117,500 top seller for Topp Herefords. 6155 is a maternal sister to the \$23,500 Lot 1 female sired by Trust in the 2014 Express Ranches Inaugural Online Sale to Burns Farms in Pikeville, Tennessee. I love the make and design of this female as she has big time donor written all over her! Solid EPD profile allowing many mating options on this royal bred Hereford female.

Dam is the immortal 471Z who produced the \$23,500 Trust-sired female to Burns Farms in Pikeville, Tennessee. This powerful set of flushmate sisters that excel in phenotype and have the added depth of body it takes to be highly competitive. They will make tremendous brood cows with their added body and power when they conclude their show careers. Tremendous value lies here in this pair of flushmate sisters as they are a rare combination of power and phenotype with added rib.

Maternal sister sells as Lot 16.

Selling one-half interest with the option to double up and take all.

Express Ranches purchased the pick of the 2015 heifer calf crop from Walker Polled Hereford Farm in Morrison, TN in the 2015 Mile High Night Sale in Denver, Co. 514C was the female chosen and what a genetic gem she is! This bred heifer has an unprecedented EPD profile with tremendous performance and carcass merit. With a +119 YW EPD, +1.01 REA EPD and +44 \$CHB this female is a performance giant!

514C is well designed with added length of body, hip, bone and super extended through her front 1/3. Females of this stature are hard to find and even harder to create.

Express Ranches believes in the genetics 514C has to offer to the beef industry and would like to retain 1/2 interest in this female but they are giving you the buyer to opportunity to double up and take all of her if you desire.

CONGRATULATIONS TO THE **Ex414** JUNIORS NATIONWIDE WHO HAVE PURCHASED HEIFERS FROM EXPRESS RANCHES AND HAVE RECEIVED OVER **\$3,900,000** IN SCHOLARSHIP AWARDS

EXPRESS RANCHES SCHOLARSHIP PROGRAM

INTRODUCTION

The Express Ranches Progressive Junior Scholarship Program is designed to help America's youth to continue their education by enrolling in undergraduate courses of studies at an accredited two or four year college, university or vocational technical school. It is designed for juniors who want to accumulate scholarships year after year.

ELIGIBILITY

1. The animals must be purchased from Express Ranches at public auction or by private treaty.
2. The animals must be bought and registered by a junior and be in his/her name.
3. The year of purchase and receipt of payment determines which year you will qualify under the graduated program: If you purchased and paid for an animal in calendar year 1995, that is year one. Animals purchased and paid for in subsequent calendar years qualify you for additional years. If any year is missed, the future purchase will be credited to the next year of purchases. (i.e. If you purchased in 2000 and 2002, the 2002 would be the second year of purchases.)

4. The year of purchase (one, two, three, four or five), not the year of the show, will determine which scholarship year will be honored.

5. If the animal wins more than one year in the same show, the scholarship winnings will be honored both years from the year purchase was made.

6. In appreciation for purchasing cattle from Express Ranches in 1994, we will count 1994 as year one for those wonderful buyers. Thank you for your confidence in us.

To qualify for each scholarship, the student is required to submit the proper information of verification on the Express Ranches Verification Form and provide proof of winning. The calculation for the Junior Scholarship will begin in the month the verification papers arrive at Express Ranches.

Each **Express Ranches Progressive Junior Scholarship** will be funded by Express Ranches in the name of recipient in the Express Ranches Scholarship Program Account.

The **Express Ranches Progressive Junior Scholarship will have a 5% to 10% Scholarship Award added annually which is set based on market conditions, and will be reviewed annually by the advisory board**, from the month of beginning until the funds are properly distributed to the accredited two- or four-year college, university or vocational-technical school. The Express Ranch Scholarship Program will process scholarship awards, to the schools, in mid-August and mid-December. Checks will be made payable jointly to the recipient and to the educational institution and must be endorsed by both. Qualified expenses include tuition, books, related fees, and room and board. Qualifiers must complete their education at the accredited college, university or vocational-technical school of their choice on or before their 30th birthday or the remaining portion of their Express Ranches Progressive Junior Scholarship fund will be forfeited. There will be a third party advisory board administering the scholarships. The board will be appointed by Express in staggered terms. The current advisory board is: Kyle Haley, Jack Stuteville, Eddie Sims, Ryan Cotton and Sonny Booth.

This scholarship will be non-transferrable unless approved by the advisory board. Any questions or changes will be decided and or approved by the advisory board. The Express Ranches Scholarship Program will be audited annually.

ELIGIBLE SHOWS

Level I: National Accredited Junior Show

Level II: Denver Junior Show; Louisville Junior Show; Kansas City Junior Show; Oklahoma City Spring Fair; Nationally Sanctioned Regional Heifer Shows; and one of the following Texas Junior shows, San Antonio, Fort Worth or Houston.

Level III: State Fair Junior Shows, State Fair shows will be honored for the persons in the state of origin. The state of origin is defined as the state of residence of the owners and or the state of your 4-H or FFA chapter. Only one state of origin showing will be rewarded per calendar year.

Level IV: State Junior Field Day & County Junior Shows. County shows will be honored for the persons in the county of origin. The county of origin is defined as the county of residence of the owners and or the county of your 4-H or FFA chapter. Only one county of origin showing will be rewarded.

We may review the entire program annually. May each participant work hard, enjoy their cattle and win many scholarships for their future education.
